

CAFRE Equine Breeding Conference

Venue: Greenmount Resource Centre, Greenmount Campus, Antrim, BT41 4PS
Date: 4th November 2015
Time: 1 – 7.30pm
Lunch available to purchase from campus restaurant from 12noon

The CAFRE Equine Breeding Conference will bring up-to-date information on equine breeding practices and professional standards to the Sport Horse and Thoroughbred sectors. Presentations will cover the main aspects of breeding horses and will provide an opportunity for industry professionals to share their knowledge and experiences with delegates. Professional breeders, stable staff, vets and those with an interest in breeding will find the conference beneficial, with vets eligible to claim CPD points.
